

## *Pedigree Analysis - Kristen Manning*

### **ELECTRA x DUBIOUS**

The Easy Date family has well and truly proven its worth as a line-breeding force with that outstanding matriarch duplicated in the pedigrees of 15 stakes winners including the dual Gr.1 winner Miracles Of Life and the Group winners Ima Single Man, Champagne Cuddles, Derryn, Gimme Par, Hard Landing, Halvorsen, Dracarys and Elle Lou.

It is only a matter of time until Easy Date's stakes placed city winning daughter Singles Bar also proves her worth, her success as a broodmare and ancestress of stakes winners suggesting that she too will have good influence.

This exciting mare, a proven stakes producer, is being offered in foal to the dual Group winner Dubious - son of Singles Bar's outstanding son Not A Single Doubt.

Meanwhile her sire Zizou is Singles Bar's grandson - giving her future foal an exciting 3 X 4 Singles Bar cross.

Also of interest in this foal's pedigree is a 3 X 3 cross of the great Redoute's Choice. It is still early days for him as a line-breeding influence but already there have been three stakes winners - including the dual Gr.2 winner Haut Brion Her - boasting a cross.

And of the first 55 winners line-bred to Redoute's Choice, another four are stakes placed and another nine are metropolitan winners.

There is further strength to this mating with crosses of the legendary Secretariat and his half-brother Sir Gaylord, providing for duplications of Somethingroyal - one of the great modern day line-breeding subjects.

There is also lovely male strength with duplications of such wonderful stallions as Biscay, Danzig, Mr Prospector, Nijinsky II, Northern Dancer and Sir Ivor.
